

COMMUNITY SUSTAINABLE ENERGY PROGRAMME
Applications awarded at the Selection Panels

Round	Organisation Name	Brief Description	Type of organisation	Solar PV	Solar Thermal	Wind Turbines	Micro-hydro turbines	Heat pumps	Automated Wood Pellet Stoves	Wood Fuelled Boilers
1	Barford Village Shop Community Interest Company	Air source heat pump for new village shop.	CIC					✓		
1	Caistor High School	Installation of a wind turbine and free standing tower for the school site.	School			✓				
1	MacMillan Academy	Installation of a grid connected wind turbine for the college site.	College			✓				
1	Braishfield All Saints Parochial Church Council	Ground source heat pump for the Church Room, community building.	Church Council					✓		
1	Fakenham High School	Installation of a wind turbine and free standing tower for the school site.	School			✓				
1	Sheringham High School & Sixth Form Centre	Installation of a wind turbine and free standing tower for the school site.	School			✓				
1	The Skinners School	Solar PV for school science block.	School	✓						
1	Selborne Village Hall	Solar PV for village hall.	Registered Charity	✓						
1	Lowick Community Hall	Solar PV for community hall.	Registered Charity	✓						
1	Botley Parish Council	Solar PV, Solar Thermal and Wood Pellet Boiler for community building and visitors centre.	Parish Council	✓	✓				✓	
1	Rendcomb Village Hall	Ground source heat pump and loft insulation as part of a refurbishment to a village hall.	Registered Charity					✓		
1	St Columb Minor School	Installation of a grid connected wind turbine for the school.	School			✓				
1	Yeo Valley Primary School	Solar PV for primary school.	School	✓						
1	Weobley Village Hall	Solar PV for village hall.	Registered Charity	✓						
1	Duncombe Primary School	Solar PV for primary school.	School	✓						
1	Meadow Well Connected	Solar PV and Biomass for community centre/training centre.	Registered Charity	✓						✓
1	Bournemouth School for Girls	Ground source heat pump for new arts block	School					✓		
1	Turners Hill Church of England Primary School	Solar PV for primary school.	School	✓						
1	The Village Club	Solar PV, Wood Fuelled Boiler, insulation and lighting as part of refurbishment of village hall.	Registered Charity	✓						✓
1	Bowland High-the school with status in Performing Arts	Ground source heat pump for new school building.	School					✓		
1	Garway Primary School	Solar PV and wind turbines for primary school.	School	✓		✓				
1	Purwell Primary School	Solar PV for primary school.	School	✓						
1	Tenterden Infant School	Solar PV for infant school.	School	✓						
1	Mary Bassett Lower School	Solar PV for school building.	School	✓						
1	St Francis Parochial Church Council	Solar PV for the church.	Church Council	✓						
1	Tenterden Church of England Junior School	Solar PV for junior school.	School	✓						
1	Cradley C of E VA Primary School	Solar PV for primary school.	School	✓						
2	Winscombe Primary School	Wind Turbine for a rural primary school site.	School			✓				
2	RSPB	Wood pellet boiler replacement scheme.	Registered charity							✓
2	Luckington Community School	Solar PV for village school.	School	✓						
2	Plumpton College	Solar Thermal installation for a further education college.	College		✓					
2	Colyton Grammar School	Solar PV installation for school restaurant.	School	✓						
2	Bingham Town Council	Ground Source Heat Pump for new clubhouse.	Town Council					✓		
2	Gulworthy P.C.C.	Biomass boiler for church.	Church Council							✓
2	Owen Harris Memorial Ground	Solar PV and Solar Thermal for new build community centre.	Registered Charity	✓	✓					
2	Oakwood Technology College	Solar PV and Wind Turbine for college.	College	✓		✓				
2	Othona Community	Wind Turbine and Solar Thermal for community building.	Registered Charity		✓	✓				
2	West Oxford Community Primary School	Solar PV for primary school.	School	✓						
2	Groundwork Derby and Derbyshire	Solar PV and Solar Thermal for the Bridge Centre.	Registered Charity	✓	✓					
2	Mascalls School	Solar PV and Wind Turbine installation at comprehensive school.	School	✓		✓				
2	Bath City Farm	Solar PV and Heat Pump for charity office.	Registered Charity	✓				✓		
2	Over Haddon Village Hall Management Committee	Solar PV and Heat Pump for new build village hall.	Registered Charity	✓				✓		
2	Milton Lilbourne Village Hall and Recreation Ground	Ground source heat pump for village hall.	Registered Charity					✓		
2	Charles Dickens Primary School	Solar PV on new build classroom.	School	✓						
2	Bapchild and Tonque Church of England (Aided) Primary School	Wood pellet biomass boiler for school.	School							✓
2	St Leonards Heath and Reach VA Lower School	Solar PV for school building.	School	✓						
2	10th Harpenden Scout Group	Biomass boiler for scout hut/community building.	Registered Charity							✓
2	Rawson Hall	Solar PV, Solar Thermal and Ground Source Heat Pump for village hall.	Registered Charity	✓	✓			✓		
2	Suffolk Wildlife Trust	Wind Turbine and Heat Pump installation.	Registered Charity			✓		✓		
2	Newhaven Community Development Association	Solar PV for community centre.	Charitable company	✓						
2	The Dunbury CE VC Primary School	Solar PV for new build primary school building.	School	✓						
2	Northmoor Trust for Countryside Conservation	Solar PV for Northmoor Trust.	Registered Charity	✓						
2	Bricklehampton, Elmley Castle & Netherton Village Community Hall	Solar PV installation for community hall.	Registered Charity	✓						
2	City University	Solar PV array for university.	University	✓						
2	Deanery C of E Primary School	Solar PV installation for village school.	School	✓						
2	Overstone Combined School	Solar PV, Solar Thermal and Wind Turbine for school buildings and swimming pool.	School	✓	✓	✓				
2	Stratton Upper School and Community College	Ground source heat pump for school and college.	School					✓		
2	Weston Turville CE School	Biomass boiler for school.	School							✓
3	Ashwater Parish Hall and Institute	Heat Pump installation to new modern parish hall for space heating.	Registered Charity					✓		
3	Gillespie Primary School	Solar PV installation to primary school for 220 children aged 3-11 years old, some of which have special needs.	School	✓						

COMMUNITY SUSTAINABLE ENERGY PROGRAMME
Applications awarded at the Selection Panels

3	The Wiltshire Music Centre Trust	To retro-fit Solar PV to an existing well used Music Arts Centre, already designed to high environmental standards.	Registered Charity	✓					
3	Okehampton College	A 20kWp PV installation on a new-build college building.	College	✓					
3	Angmering Parish Council	PV and HP for a new build community hall.	Parish Council	✓			✓		
3	Priestlands School	PV on school roof.	School	✓					
3	Bewardine and Brobury Village Hall	SP on an existing village hall.	Registered Charity	✓					
3	The Neatishead, Irstead and Barton Victory Hall	A ground source heat pump installation for a highly sustainable new-build rural community building in Norfolk.	Registered Charity				✓		
3	Enford Recreation Ground & Village Hall Trust	GSHP installation for a new build village hall/recreation facility.	Registered Charity				✓		
3	Braziers Park School of Integrative Social Research	To install a wood fuel mini-district heating system.	Registered Charity						✓
3	Portinscale Village Hall	PV on roof at village hall.	Registered Charity	✓					
3	Bickerton Village Hall	A PV installation on a village hall.	Registered Charity	✓					
3	Litton and Thorners Community Hall (LATCH)	Heat Pump installation to new village hall for space heating.	Registered Charity				✓		
3	Bratton Clovelly School Room	GSHP installation as part of a wider restoration project on a grade 2 listed community building.	Registered Charity				✓		
3	Ruskin Mill Educational Trust	SP and freestanding WT for Gable Farm, an educational facility at Ruskin Mill College.	Registered Charity	✓		✓			
3	Wark Recreational Charity	GSHP installation as part of a village hall renovation project.	Registered Charity				✓		
3	Halton Community Association	SP, ST and HP as part of an extension project to an existing community centre.	Registered Charity	✓	✓				
3	Hill and Moor Village Hall	A straightforward Village Hall PV project.	Registered Charity	✓					
3	St Francis Xavier Catholic Primary School	PV installation at a school.	School	✓					
3	Earthworks Trust	PV installation at a sustainable development resource centre.	Registered Charity	✓					
3	Ratley Village Hall	Solar PV installation to special needs school for 60 pupils aged 4 to 11.	Registered Charity	✓					
3	Suffolk Wildlife Trust	ST and Log Wood Boiler to be used in this community use building providing a social meeting place for young families and social organisations.	Registered Charity			✓			
3	Sunningdale Parish Council	ST and Log Wood Boiler to be used in this community use building providing a social meeting place for young families and social organisations.	Parish Council			✓			✓
3	Victory Hall Broadway Hill	SP on a new village hall.	Registered Charity	✓					
3	Canon Pyon Church of England Primary School	PV and WT for existing school building.	School	✓		✓			
3	Whitfield Church of England Aided First School	Redevelopment of school including 6kW Proven wind turbine, 16kW GSHP and 3.75kW PV modules, overall they are trying to achieve carbon neutrality.	School	✓		✓		✓	
3	Burrington Parish Hall and Recreation Area	A ST system for a community hall building.	Registered Charity			✓			
3	Dodford Village Hall	Biomass boiler in village hall.	Community Group						✓
3	Bingham Town Council	Freestanding WT on the edge of a playing field, part of a larger project to build a new community sports centre for football and cricket clubs.	Town Council			✓			
3	Hesters Way Partnership	PV on Community Partnership Centre.	Community Group	✓					
3	Eastchurch Church of England Primary School	An excellent school project combining three technologies.	School	✓	✓	✓			
3	St Just & District Community Sports Association	Solar PV for a recently built well used community sports centre in a rural area.	Registered Charity	✓					
3	Ashley Vale Action Group	PV, ST & Wood-Pellet Boilers to be used in the renovation of derelict office building.	Community Group	✓	✓				✓
3	The Guide Association Cambridgeshire East	Solar Thermal and Air-Source Heat Pump installation to The Jarman Centre, a single storey residential centre for Brownie & Guide holidays.	Registered Charity			✓		✓	
3	St James United Reform Church	3 large PV arrays (120 modules total) to church building in Essex.	Church based or other faith organisation	✓					
3	Chipping Norton Lido Ltd	The installation of a PV array and a GSHP technology in a recreational facility.	Registered Charity	✓				✓	
4	Sandford Community Stores Association Limited	A well conceived and managed project for a PV installation at a community shop and Post Office.	Industrial and Provident Society	✓					
4	gymc	Installation of a wood fuelled boiler for community, offices and therapy rooms.	Community Group						✓
4	Hesters Way Partnership	PV and WT at a community resource centre with a diverse user profile.	Community Group	✓		✓			
4	Ashton on Mersey Cricket and Tennis Club	To install PV panels on to the south facing roof of the clubhouse building.	Community Group	✓					
4	Tow Law Town AFC	The project is to install a 5kW Iskra Wind Turbine at Tow Law Town AFC in County Durham.	Community Group			✓			
4	Warwickshire Wildlife Trust	Wood Fuelled Boiler at an extensive visitor and education facility as well as offices for Trust staff.	Registered Charity						✓
4	Madeley Village Hall Charity	A new community centre utilising PV, ST and HP.	Registered Charity	✓	✓			✓	
4	Tardebigge Community Hall - Management Committee	This project is to install PV and GSHP at a well used community hall in the West Midlands.	Registered Charity	✓				✓	
4	Lode Parish Council	Heat pump for new community facilities combined with sports facilities.	Parish Council					✓	
4	Donvatt Village Hall	PV application at village hall.	Registered Charity	✓					
4	Roberts Primary School	The project is to install a PV array to complement an existing WT installation.	School	✓					
4	Boomerang Kids	ST and GSHP for a grade 2 listed building used as day centre for children.	Registered Charity			✓		✓	
4	Corsham Primary School	To supply the school with PV and ST installations	School	✓	✓				
4	Edmund Waller Primary School	PV for primary school.	School	✓					

COMMUNITY SUSTAINABLE ENERGY PROGRAMME
Applications awarded at the Selection Panels

4	Devonshire Infant School	Installation of a solar PV array in a deprived area.	School	✓						
4	1st Headcorn Scout Group	28kW pellet boiler for Scout group HQ.	Registered Charity							✓
4	The Parish Church of St. Denys, Sleaford	A good example of retro-fitting solar PV on a historic listed church building.	Church based or other faith organisation	✓						
4	14th Eastleigh Scout Group	PV and ST on community building	Registered Charity	✓	✓					
4	Kent Wildlife Trust	WT at a visitor centre to complement an existing PV installation.	Registered Charity			✓				
4	South Otterington Church of England Voluntary Controlled Primary School	PV installation at a school.	School	✓						
4	Birchwood Primary School	ST installation as part of their hot water system and general energy efficiency upgrade.	School		✓					
4	Ewvas Harold Memorial Hall	PV for rural village hall in Herefordshire.	Registered Charity	✓						
4	Linslade Lower School	This project is to install a PV system in a school building.	School	✓						
4	Pennington Church of England School	PV and WT for a school.	School	✓		✓				
4	Great Eccleston Copp CE Primary School	PV installation for a school based in the north west of the country.	School	✓						
4	Salway Ash C E V A Primary School	To install a WT, PV and an ASHP at a School.	School	✓		✓		✓		
4	Exmoor Calvert Trust	ST and PV for outdoor activity centre for people with disabilities, on the edge of Exmoor.	Registered Charity	✓	✓					
4	The Ridings High School	Installation of ST for a swimming pool in a school.	School		✓					
4	Aldington Primary School	PV and WT for a school.	School	✓		✓				
4	Chapel St Leonards Primary School	Primary school in Skegness installing 6kW wind turbine.	School			✓				
4	Kent College Pembury	PV and ST at a college.	Registered Charity	✓	✓					
4	Barrowden and Wakerley Community Shop Ltd	PV at a community shop and meeting centre.	Community Group	✓						
4	The Guide Association - Waddow Hall (Operating name Girlguiding UK Waddow)	Woodchip boiler system to provide heating and DHW via small scale heating network for Girl Guides residential centre in NW.	Registered Charity							✓
4	Penwith Community Development Trust	PV installation on a community centre in Penzance.	Registered Charity	✓						
4	Bartestree With Luqwardine Group Parish Council	ST at a community building and sports facility.	Parish Council		✓					
4	St Michael's CE Combined School	PV and WT for a school in Bedfordshire.	School	✓		✓				
4	Great Missenden School & Church	To install a PV array to provide electricity and an ASHP to provide heat for the school's swimming pool.	School	✓				✓		
4	Friends of the Earth Birmingham	Wood fuelled Boiler for community meeting room and buildings.	Industrial and Provident Society							✓
4	Bugbrooke Community Primary School	PV installation at a school in Northamptonshire.	School	✓						
4	Solo Housing East Anglia	PV and HP installations for Hostel Accommodation.	Registered Charity	✓				✓		
4	Aveton Gifford Village Shop Association Ltd	PV installation for a community shop and post office in Devon.	Industrial and Provident Society							
4	Black Country Orthodox Trust	GSHP installation in church community building in Walsall.	Registered Charity					✓		
5	Green Rivers Community Association	5kW PV system and a 45 kW wood pellet boiler to supply space heating and hot water at a new build community centre.	Registered Charity	✓						✓
5	The West Paulsgrove Scout & Community Association	STHW and HP installation for an existing community hall.	Registered Charity		✓			✓		
5	Newbiggin Village Hall Committee	PV and HP installations for a new build community hall in Cumbria.	Registered Charity	✓				✓		
5	Balscote Village Hall	HP installation for a new build village hall.	Registered Charity					✓		
5	Horwood and Newton Tracey Community Primary School	Biomass boiler installation for a school.	School							✓
5	Bramshaw Trust	Village hall in Hampshire, installing a HP.	Registered Charity					✓		
5	Elham Village Hall Association Limited	HP installation for an existing village hall.	Registered Charity					✓		
5	Great Barton Parish Council	PV and HP installations for a village hall.	Parish Council	✓				✓		
5	Harwich and Dovercourt Rugby Club	HP installation for Club buildings in Essex.	Community Group					✓		
5	Church of the Holy Nativity, Chapel House	HP installation for Church buildings.	Church based or other faith organisation					✓		
5	Tadley Memorial Hall	HP installation for a village hall in Hampshire.	Registered Charity					✓		
5	The Rainbow Centre	PV installation at a community centre in Lancashire.	Registered Charity	✓						
5	Blackawton Village Hall Management Committee	WT and PV for a village hall.	Registered Charity	✓		✓				
5	Bisbrooke Parochial Church Council	HP installation for a Church.	Church Council					✓		
5	Tyneside Golf Club	WT and HP installations for a club.	Community Group			✓		✓		
5	Gateshead Citizens Advice Bureau	STHW and HP installation for a new build Advice Centre.	Registered Charity		✓			✓		
5	Ellel War Memorial Institute Trust	PV and GSHP installation for Galgate Village Hall.	Registered Charity	✓				✓		
5	Wedmore First School	5kW WT and PV panels at a school in Somerset.	School			✓				
5	King George V Hall & Playing Fields	HP for space heating and hot water for showers at a Rugby Club.	Registered Charity					✓		
5	Amberley Primary School	6kW WT and PV Panels at a school.	School	✓		✓				
5	Bradworthy Community Primary School	Biomass boiler and STHW system for a school in Devon.	School		✓					✓
5	North Muskham Recreation Committee	ASHP installation at a new build community centre.	Registered Charity					✓		
5	Peranuthnoe Village Hall (St Pirans Hall)	Installation of a 6kW WT for a Village Hall in Cornwall.	Registered Charity			✓				
5	Devon Wildlife Trust	A 4kW micro-generation system for Cricklepit Mill - a new urban wildlife visitor centre.	Registered Charity					✓		
5	Saint Bede's Catholic High School	GSHP installation for a school in Lancashire.	School					✓		
5	Aveley Football Social Club	HP installation for a club building in Essex.	Community Group					✓		
5	St Stephen's, Lymington, Parochial Church Council	HP borehole installation at a Grade 1 listed church.	Church Council					✓		
5	New Model School Company	PV and HP at a new build school in London.	School	✓				✓		
5	Whitecross School	WT installation at a school in Gloucestershire.	School			✓				
5	Trinity Church, Sutton (United Reformed/Methodist)	A 3.06kW grid connected system with integrated monitoring for a Church.	Church based or other faith organisation	✓						
5	West London Academy	5kW WT and PV panels at the Academy.	School	✓		✓				
5	Sopley Primary School	PV and WT installations at a school.	School	✓	✓	✓				

COMMUNITY SUSTAINABLE ENERGY PROGRAMME
Applications awarded at the Selection Panels

5	Adur Centre Trust	HP, STHW and PV at an existing outdoor centre.	Registered Charity	✓	✓		✓		
5	Hethersett High School	WT installation for a school.	School			✓			
5	Gamlingay Parish Council	PV, STHW and HP at a Community Centre in Bedfordshire.	Parish Council	✓	✓		✓		
5	The Youth Hostels Association (England and Wales)	PV installation at a Green Beacon Hostel.	Registered Charity	✓					
5	The Parish of Great Missenden with Ballinger and Little Hampden	ASHP and PV installation at a Church.	Church based or other faith organisation	✓			✓		
5	The Asha Foundation	Installation of 2x45kW biomass boilers and STHW panels at a multipurpose meeting venue.	Charitable company		✓				✓
6	New North London Synagogue	GSHP to be installed as part of a new build project for a Synagogue and community building.	Church based or other faith organisation				✓		
6	Childrens Scrapstore	Biomass boiler, Solar PV and Solar Thermal for Childrens Scrapstore - Community hub.	Registered Charity	✓	✓				✓
6	Swarkestone Cricket Club	40kW Wood Log Boiler at new cricket pavilion.	Community Group						✓
6	Messing Village Hall	Heat Pump and Solar PV at a listed village hall in Essex.	Solar Thermal, insulation and heating controls at a community centre.	✓			✓		
6	Lambourne End Ltd	Solar Thermal, insulation and heating controls at a community centre.	Registered Charity		✓				
6	Lakers School	6kW Wind Turbine at a school.	School			✓			
6	Parbold Hut-on-the-Hill / Parbold Scout Group	Ground source heat pump at a community building (scout hut).	Community Group				✓		
6	Age Concern Hillingdon	Ground source heat pump installation as part of a refurbishment project at a community centre.	Registered Charity				✓		
6	The National Trust	Heat Pump and solar thermal installations at two national trust buildings.	Registered Charity		✓		✓		
6	Flegg High School	6kW Wind Turbine at a high school in Norfolk.	School			✓			
6	Skiddaw House Foundation	Solar Thermal and Solar PV systems at a youth hostel in Cumbria.	Community Group	✓	✓				
6	West Wight Sports Centre Trust Ltd	Solar PV and Solar thermal for a sport centre with pools.	Registered Charity	✓	✓				
6	Ettington Community Trust	Ground source heat pump system at a community centre.	Registered Charity				✓		
6	Welwyn Rugby Football Club	Rugby club installing a ground source heat pump.	Community Group				✓		
6	EcoTech Centre Limited	Solar PV installation at an environmental education centre.	Charitable company	✓					
6	Reepham Primary School	Solar PV and solar thermal installations at a rural primary school in Norfolk.	School	✓	✓				
6	St Johns Centre	Solar PV at a community centre.	Registered Charity	✓					
6	Selattyn Church of England Voluntary Controlled School	6kW wind turbine at a school in Shropshire.	School			✓			
6	Hounsdown School	Existing school installing a 6kW wind turbine, and solar thermal system to heat the swimming pool.	School		✓	✓			
6	The Albemarle Centre	Solar PV installation at a community centre.	Registered Charity	✓					
6	Spaniorum Trust	Wind turbine at a new build outdoor development centre.	Registered Charity			✓			
6	Seascale School	Wind turbine at a school on the west coast of Cumbria.	School			✓			
6	Wyndham Central Hall Trust	Solar PV and ground source heat pump for community hall as part of a wider refurbishment/extension project.	Community Group	✓			✓		
6	Pennoyer's Village Centre Team, School Charity of William Pennoyer	Redevelopment of the village centre incorporating a ground source heat pump system.	Community Group				✓		
6	King Edward VI Community College	500kW biomass boiler at a college in Devon.	College						✓
6	Thuxton & Garvestone Institute (Garvestone & Thuxton Village Hall)	New village hall incorporating a ground source heat pump and wind turbine.	Registered Charity			✓	✓		
6	Railway Land Wildlife Trust	Solar PV and ground source heat pump system for new wildlife trust building in Lewes.	Registered Charity	✓			✓		
6	Claremont Studios	Solar PV and 45kW biomass boiler for community based art studio in 5-storey victorian building.	Registered Charity	✓					✓
6	Gosforth Church of England Primary School	Solar PV installation at a primary school on the West Coast of Cumbria.	School	✓					
6	Clothall Village Hall	Solar PV on a new build village hall.	Registered Charity	✓					
6	Checkley Community Centre	Solar PV installation at a rural village hall as part of an overall energy reduction programme.	Registered Charity	✓					
6	Lonsdon Memorial Hall	Solar PV system on the south facing flat roof of the Hall.	Registered Charity	✓					
6	Great Waldingfield Village Hall	Ground source heat pump and solar PV installation in village hall as part of a general refurbishment.	Registered Charity	✓			✓		
7	Staunton-on-Wye Endowed Primary School	A new primary school is being built with an attached preschool and toddler group, installing solar PV and a wood fuelled boiler.	School						✓
7	Salcombe Church of England Primary School	Installation of a 150kW Energy Cabin that will provide renewable heating and hot water for the school.	School						✓
7	Theatre Resource	"Taking Low Carbon to Enterprising Communities" - Installation of solar PV and solar thermal on a community building in Essex.	Registered Charity		✓				
7	Vauxhall Primary School	Solar thermal and solar PV installation at a School in London	School	✓	✓				
7	Duchess of Somerset's Hosipital	Installation of a solar thermal system on a new energy centre in Wiltshire.	Registered Charity		✓				
7	St Georges Chuch, Southall	Solar PV system on grade II listed Church in London.	Church based or other faith organisation	✓					
7	Cheltenham Rugby Club Limited	Ground source heat pump installation to replace the existing space and water heating systems at a Rugby Club.	Community Group				✓		
7	Brabin's Endowed School	Solar PV and insulation at a School in Preston.	School	✓					
7	Newbiggin Heritage Partnership (NHP)	A new build project that will provide a year round visitor and educational centre, combining solar PV, solar thermal and heat pumps.	Registered Charity	✓	✓		✓		

COMMUNITY SUSTAINABLE ENERGY PROGRAMME
Applications awarded at the Selection Panels

8	Hingham Playing Field Association	Solar PV, Solar Thermal and Wind Turbine for sports centre near Norwich.	Registered Charity	✓	✓	✓				
8	Torbay Coast and Countryside Trust	11kW Wind Turbine for community farm educational buildings in Devon.	Registered Charity			✓				
8	Lowther Parish Hall	Solar PV & Heat Pump installations as part of refurbishment of the parish hall in Cumbria.	Registered Charity	✓				✓		
8	Willoughby Primary School	ASHP in East Midlands village primary school.	School					✓		
8	The Perins Trust	To install a solar thermal system in the school's Sports Complex providing hot water for use in the building.	School		✓					
8	Victoria Hall	This application is for an oil-fired boiler replacement with an ASHP.	Registered Charity					✓		
8	Torriano Junior School	This project is a new build school/community area, installing an Air Source Heat Pump (ASHP).	School					✓		
8	Rayleigh Grange Community Association	40kW Heat Pump for this community centre in Essex.	Community Group					✓		
8	Hope CofE Primary School	Installation of a 14kW GSHP for existing primary school.	School					✓		
8	St. Issey VA CofE Primary School	6kW wind turbine.	School			✓				
8	Elmtree School	90kW biomass boiler for a school in Chesham to provide space heating.	School							✓
8	Shalford Village Halls	GSHP to replace the existing space and water heating systems for the hall in Surrey.	Community Group					✓		
8	Clervaux Trust	70kW Biomass Boiler for Educational charity in Yorkshire.	Registered Charity							✓
8	Cornwall Trust for Nature conservation Limited	Solar PV and 5kW Wind Turbine off-grid power system, supplying visitor centre and dwellings on island off Cornish coast owned by conservation trust.	Registered Charity	✓		✓				
8	Wedmore First School	Installation of solar thermal to the roof of the school kitchen extension in Somerset.	School		✓					
8	The Ellen Wilkinson School for Girls	Solar PV and air source heat pump for this new build project to provide a shared learning resource for a school and local community.	School	✓				✓		
8	St. Mary's CE (VA) Primary School	Solar PV installation at this West Midlands school.	School	✓						
8	Postwick with Witton Parish Council	GSHP and 5kW Wind Turbine for village hall nr. Norwich.	Parish Council			✓		✓		
8	Millington Village Hall Management Committee	PV and insulation at hall in Yorkshire.	Registered Charity	✓						
8	The Village Hall Highwood	Multi renewable energy technology project, at a new build Eco-Social Centre in Chelmsford.	Registered Charity	✓	✓			✓		
8	Stimpson's Piece Charity No 299466	Installation of a GSHP, Solar PV and Wind Turbine for a community use hall in Norwich.	Registered Charity	✓		✓		✓		
8	The Guide Association Anglia Region	Solar thermal installation at "Hautbois", a residential training and activity centre.	Registered Charity		✓					
8	Brimscombe Church of England VA Primary School	Solar PV system at a school in Stroud.	School	✓
